Volunteer Translators Needed

Would you like to help make a difference?

Translators are needed to help Schuylkill Community Action Case Managers provide services to clients who do not speak, or communicate well, in English. Spanish translators are especially needed.

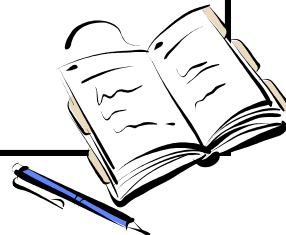

People who are willing to translate will be placed on a list and will be called when interpretation is needed.

Schuylkill Community Action is open from 8:00am – 4:00pm, Monday through Friday, and 8:00am – 6:00pm every Wednesday.

Currently, interpretation is needed approximately **once or twice each year**, although we expect the need for language services to increase in the future.

Volunteers are also needed to assist in translating service brochures into various languages.

**If you are interested in volunteering your services,
please contact
Jennifer or Erin at (570) 622-1995**
